## Ronny Altbach

- On February 21st, 2023, our Newfane community sadly lost Ronny Altbach.
- Ronny was in the Newfane class of 1965, and was a brilliant musician.
- After playing trombone in the Newfane band, he went on to have an incredible international career as a piano & keyboard player, performing and composing with the Beach Boys and King Harvest.
- Family and friends of Ronny Altbach collected funds and are generously donating a grand piano in memory of our distinguished alum to the Newfane Central School District's music program.
