Dear Parent/Guardian,

New York State Law Section 2164 requires certain immunizations (shots) to enter sixth grade and attend school. Please check with your health care provider as soon as possible to make sure that your child has all the needed immunizations. An updated immunization record must be presented prior to the start of school in the fall. The requirements are listed below, please note some changes have recently been enacted.

Grade 6 and 7 Students		
Vaccine	What is needed for 2015	How has this changed from 2014
DTP/DTaP	3 doses	3 doses - <i>no change</i>
Tdap	1 dose	1 dose - <i>no change</i>
Polio	4 doses 3 with 3 rd dose at 4 years of age or older	3-5 doses for 6 th grade 7 th grade added
MMR	2 doses	2 doses - <i>no change</i>
Hep B	3 doses	3 doses - <i>no change</i>
Varicella	2 doses	7 th grade added

Vaccines must be received at an age or interval that is in accordance with the ACIP schedule. Your private provider should be able to provide you with this information.

If you have any questions or concerns about immunizations, please contact the school nurse or your child's doctor.
