

French Horn - Baritone - Tuba

Supplies

Your child has been selected to play the French Horn, Baritone, or Tuba in band! Playing these instruments is very important to having a balanced instrumentation in our band. These instruments are provided by the school for your child. Students will receive the instrument at their first lesson the week of September 9, 2019 and they will be returned to Mrs. Hart in June 2020.

There is no charge to borrow an instrument from school; the only thing we ask is that you sign a Loan Contract before the instrument goes home. This document will describe the current condition of the instrument and list the retail cost should the instrument need to be replaced. We ask that you return the instrument in June when requested and that you treat the instrument with care. Should the instrument be lost, stolen or damaged beyond repair while in your possession, it would be your responsibility as the parent/guardian to replace the instrument.
