Student or Staff answers yes to one of the following health questions in the health screening:

- a) Knowingly been in close or proximate contact in the past 14 days with anyone who has tested positive through a diagnostic test for COVID 19 or who has or had symptoms of COVID-19;
- b) Has traveled internationally or from a state with widespread community transmissions of the COVID per the NYS Travel Advisory in the past 14 days

<https://coronavirus.health.ny.gov/covid-19-travel-advisory>

Refer to Health Care Provider for evaluation and testing.

STUDENT

STAFF

District determines essential worker NYSCHS - <https://bit.ly/3iE7uWd>

Student will be quarantined for 14 days or until released by the LHD.

Essential Worker

Non-Essential Worker

Allow student to return to school after 14 day quarantine period or released by LHD.

Staff will be quarantined for 14 days with work permissions. To return to work the individual must comply with the NYSDOH Essential Worker Guidance to include at minimum:

- Direct commute to and from work
- Wearing an acceptable face covering at all times
- Take temperature 3x a day to ensure it is below 100.0°F for 2 wks

<https://on.ny.gov/2XX8OLX>

Staff will be quarantined for 14 days or until released by the LHD and will not return to work until that time.

The Niagara County Dept. of Health is the lead agency for testing & contact tracing routines & procedures. The NCSD will work in conjunction with NCDOH.
