Newfane Athletics hosts Toy Drive

On December 18 Newfane Athletics hosted the 3rd annual “Silent Night” toy drive event. The suggested admission to the Boys Basketball game was the donation of a toy, and all gifts gathered will stay within the Newfane community to support the Newfane Alumni Association’s Giving Tree and a local church.

Newfane CSD & Niagara Heritage Center Collaboration

Social Studies Curriculum Facilitator Roberta Faery has initiated a collaboration with the Niagara Heritage Center. Through this mutually beneficial partnership, we will:

- Pilot five (5) lesson plans surrounding geography, historical documentation, American ideals, laws, and acts of resistance.
 - Students will give feedback on the lessons, the experience, and input as to how to expand and improve the experience.
- Have increased access to field trips and authentic learning experiences.
 - The first is a field trip on January 12, 2024 to the Niagara Falls Underground Railroad Heritage Center;
 - Admission has been sponsored by the Heritage Center (Newfane provides transportation).
- Create an authentic learning experiences for our students where they not only see the Heritage Center, but know that their feedback and input will be used to make improvements for other students.
