You have been issued a swipe card for the Newfane Central School District. You simply swipe your card on the door card reader, wait for the light to turn green and you hear the unlocking click.

Remember, as a security issue, that this is a key to the building. If lost or stolen, please report this to the Director of Facilities immediately so the card can be disabled. Also, the card contains magnetic wire code strips, so please do not punch any holes in the card. There may be a fee associated with a replacement card.

Remember, your card will only work on the doors and times designated by your building principal.
